CLERK: Now Mr. President, we have an amendment offered by Senator Barnett to 502. Read amendment.

SENATOR BARNETT: Mr. President, I move for the adoption of the amendment. There was a question from Senator DeCamp that he had the feeling that this bill if it passed would require everyone to have escrow accounts, and this is just a clarification. The bill drafter didn't think that it was needed, but I said lets put it in to satisfy Senator DeCamp's objection. That is exactly what it states. It is not the intent of this act to require that escrow accounts be required or established. I move for the adoption of the amendment.

PRESIDENT: Discussion? The question is the adoption of Senator Barnett's amendment. Record your votes. Please vote. Record.
